### **Lake Constance Talks 2026: "How to be your own Finance Minister"**

**Badhotel Überlingen**

**Christophstraße 2**

**Überlingen, 88662**

Friday to Sunday

EWMD International,

service.international@ewmd.org

*Dear EWMD members, dear guests,*

*Due to the great success last year, we have once again opted for the traditional Badhotel Überlingen as the adequate venue for the Lake Constance Talks 2026. With its elegant ambiance, lakeside location and the successful combination of history and modern comfort, it offers the perfect setting for a weekend full of inspiration, exchange, and personal development.*

*As usual, we will meet on Friday afternoon for a relaxed start directly at the hotel.*

*The theme for 2026 will be:*

*"How to be your own Finance Minister"*

*Financial independence is an essential part of self-determination. Yet money is still a taboo topic for many—especially for women. How can we succeed in taking responsibility for our own finances with clarity, knowledge, and confidence? How can we learn to consciously manage our resources—whether in our jobs, daily life, or long-term life decisions?*

*During this weekend, we want to work together to develop strategies and mindsets that help us actively shape our financial future – confidently, informed, and independently. Because "finance" is much more than just numbers – it is a key to personal freedom.*

*Our three speakers will cover different aspects of the topic:*

*Wiebke Schattschneider holds a degree in banking management and has been working in the financial sector for over 35 years, advising private individuals, self-employed persons, and entrepreneurs on all matters of wealth building, investment, and management, as well as on all personal and business financing issues. With the My First Million Game, we simulate up to 20 years of investment periods in a single morning. You will see how wealth can be built and invested over the long term.*

*Sabine Röltgen has been active in the stock market since 1997. She shares her knowledge about successful investing in stocks in webinars and one-on-one coaching. In the workshop at the Bodenseegespräche 2026, Sabine will show us that investing in stocks and ETFs is not only financially attractive but also fun. We will talk about the main success drivers for successful investing. We will discuss pros and cons for investing in stocks. We will find out, how we make money on the stock market – over time.*

*Nicole Meißner has been investing in the real estate market since the 1990's and successfully built up a portfolio, which enabled her way into early retirement. We will discuss tactics and strategies in connection with real estate and common prejudices, mistakes and potential pitfalls.*

### *EWMD International Mentoring*

*Mentoring has been proven to have a significant impact on peoples' careers. Personal growth and learning is a key skill in today's business world and the exchange of knowledge is crucial to achieve that goal. Mentoring accelerates self-development, career progression, and overall self-confidence. The EWMD collects a lot of experienced and senior women who are willingly sharing their knowledge over webinars and the personal exchange already. Bringing these two subjects – the personal learning journey and the existing knowledge in our network – together in a systematic approach seems like the next logical step.*

*Born from these considerations we are proud to present to you the EWMD Mentoring Program! In February 2026 we offer the frame for a 12 months intensive mentoring program where 1:1 Mentorings are combined with collaborative workshops.*

*Please register for this event to register for the whole mentoring program. After completing the registration, you will receive:*

*Questionnaire Link for Mentors*

*Questionnaire Link for Mentees*

*Additional Event Dates (incl. MS Teams Links to join the Online Sessions)*

*Please check carefully the confirmation email you will receive after the registration in order to find all the above-mentioned information.*

*Cost of Participation:*

*Mentors: 0.00 EUR*

*Mentees - EWMD Members: 350.00 EUR*
