### **"Beyond expectations - the art of mastering life & business" with Bianca-Maria Klein**

06:00 PM - 07:00 PM CET

EWMD International,  
service.international@ewmd.org

*"Beyond expectations - the art of mastering life & business"*  
with Bianca-Maria Klein

*Speaker: Bianca-Maria Klein*

*Topic: Expectations-Management. How to successfully manage your expectations with a simple method ... not only in business! Looking at expectations from different perspectives helps to expand your scope of action. How managing your expectations supports you in communicating with yourself, colleagues and customers.*

*Content:*

*Life is full of interpersonal expectations, in private life or business. In companies, this becomes especially clear when necessary change processes do not lead to the desired result or even fail.*

*With active expectation management, claims, expectations and goals of the different communication levels are clarified, and thus successful leadership for yourself and your teams is made possible.*

*In addition to her own experiences, Bianca-Maria shares examples and explores the following questions: What are expectations actually? Why are they often so difficult to fulfill? Why can expectations lead to conflicts? How can I deal more calmly and self-determined with expectations towards myself and my peers - privately or at work?*

*Duration: approx. 60 minutes*

*Speaker-Info: Bianca-Maria Klein looks back on a 20+ years international career with various medical device corporations where she was a leader in sales, marketing and research. For her career she lived in different countries and cities before moving back to Northern Germany and she speaks 5 languages fluently. In addition, she followed a coaching education and change management training. Bianca-Maria is also a certified keynote speaker. Her daily goal, as a speaker and coach is to support companies with challenges in transformation processes, through keynote speeches, coaching or team workshops. Her focus is to teach and implement her view on managing expectations, as a success-factor for any communication, always necessary in places where people work and live together*

*Cool Shots: Wie frau sich darstellt*

*Du weißt nie so genau, wie du dich auf Gruppenfotos hinstellen sollst? Du findest diese ewig gleichen Gruppenshots unglaublich langweilig? Du möchtest wissen, wie kraftvolle Posen aussehen und wie sie sich anfühlen? Dann bist du genau richtig beim Workshop mit Evelyn Lynam.*

*Gemeinsam gehen wir dynamisch-kraftvollen Posen auf den Grund, bevor wir uns vor die Linse begeben und auch das Anleiten hinter der Linse üben.*

*Über die Workshop-Leiterin:*

*Evelyn wurde in Chile geboren und ist in Südpatagonien aufgewachsen. Sie studierte Anthropologie und Fotografie und spezialisierte sich auf Portraitfotografie und Corporate Fotografie. Die Essenz und Authentizität einer Person darzustellen und in einer Geste oder einem Blick festzuhalten, treibt die Neugier von Evelyn an.*

*Seit 2012 lebt sie in Wien / Österreich und arbeitet aktiv in der fotografischen Porträtmalerei und analogen Laborarbeit. Seit 2020 ist sie offizielles Komiteemitglied der Wiener Staatsgilde für Berufsfotografen, in der die Rechte und Pflichten der Fotografen vertreten sind. Mehr: <https://www.evelynlynam.com>*

### *EWMD International Mentoring*

*Mentoring has been proven to have a significant impact on peoples' careers. Personal growth and learning is a key skill in today's business world and the exchange of knowledge is crucial to achieve that goal. Mentoring accelerates self-development, career progression, and overall self-confidence. The EWMD collects a lot of experienced and senior women who are willingly sharing their knowledge over webinars and the personal exchange already. Bringing these two subjects – the personal learning journey and the existing knowledge in our network – together in a systematic approach seems like the next logical step.*

*Born from these considerations we are proud to present to you the EWMD Mentoring Program! In September 2024 we offer the frame for a 12 months intensive mentoring program where 1:1 Mentorings are combined with collaborative workshops.*

*Please register for this event to register for the whole mentoring program. After completing the registration, you will receive:*

*Questionnaire Link for Mentors*

*Questionnaire Link for Mentees*

*Additional Event Dates (incl. MS Teams Links to join the Online Sessions)*

*The additional appointments will take place on the following dates:*

*Midterm Reflection: 15 March 2025*

*End Reflection: 20 September 2025*

*Please check carefully the confirmation email you will receive after the registration in order to find all the above-mentioned information.*
